## A DOCTOR'S HARD FIGHT.

Opened Fire on Officer When He Started Read Requisition Papers.

Shot One, but Finding Himself Cor nered Turned Rifle on Himself, Dying Instantly.

Los Angeles, Cal., May 4.-In a fierce battle with detectives late this afternoon Dr. E. W. Aldrich of Chicago was killed and City Detective Hawley seriously wounded. The fight occurred at the offices of Dr Aldrich in the Hotel Savoy at Fourth and Broadway. Capt. of Detectives Bradish, City Detective Hawley, a Chicago officer and a reporter went to Aldrich's offices to serve requisition pa-

When the officers entered the room Detective Hawley immediately began reading the document. Aldrich stood in the dorway of his private office and as soon as he realized the purport of the paper, he turned and seized a pistol off his desk, but before he could

level it at the officers he was seized by Bradish and Hawley. In the scuffle Aldrich placed the revolver to Hawley's back and fired. The bullet entered be-low the shoulder blade and imbedded itself in the muscles. Shaking off the officers, Aldrich rushed into his private office, locked the door, seized a rifle and began firing through the glass door. One of the bullets barely missed the reporter, and others imbedded themselves

Bradish fired through the door, the bullet striking Aldrich two inches be-low the navel, perforating the bowels.
